Statement on the Senate Filibuster of the Reauthorization of the PATRIOT Act

December 16, 2005

The PATRIOT Act has protected American liberty and saved American lives since the law's passage after the attacks of September 11, 2001. Today, a minority of Senators filibustered to block the Senate from voting to re-authorize key provisions of the Act. These Senators need to understand that the PATRIOT Act expires in 15 days, but the terrorist threat to America will not expire

on that schedule. The terrorists want to attack America again and kill the innocent and inflict even greater damage than they did on September 11th, and the Congress has a responsibility not to take away this vital tool that law enforcement and intelligence officials have used to protect the American people. The Senators who are filibustering the PATRIOT Act must stop their delaying tactics so that we are not without this critical law for even a single moment.

Statement on Congressional Passage of Legislation To Help the Gulf Coast Rebuild Following Hurricanes Rita and Katrina

December 16, 2005

I commend the Congress for passing an important part of my comprehensive plan to help the citizens of the gulf coast rebuild their lives and their livelihoods. The private sector is critical in the rebuilding effort, and these tax incentives will help boost investment, get people back to work, and return the region to prosperity. Americans will continue to stand with our fellow citizens in the gulf coast region. I look forward to signing this bill into law.
